UCSF Auto Burglaries-Millberry Union and Ambulatory Clinical Care Garages

From March 1st to April 5th 2006, the UCSF Police Department received 37 reports of vehicle burglaries at the Millberry Union and Ambulatory Clinical Care Garages. The majority of the vehicles had their windows smashed and miscellaneous items taken.

**Prevention Measures:**

- Immediately report any suspicious person(s) loitering around any UCSF facilities to the UCSF Police at 476-1414 or 9-911 in an emergency.
- Always lock and roll up windows when leaving your vehicle.
- Do not leave items in plain view within the vehicle.
- Do not leave valuable items (i.e. laptops, PDA, jewelry, etc.) in the vehicle.
- Walk in well lit areas. Avoid dark doorways/entrances. Stay near the street side of the sidewalk.
- Travel in groups whenever possible.
- Establish a “lifeline”-- a person who knows your current whereabouts and your schedule. This lifeline person will call the Police on your behalf if you do not “check-in” when expected.
- Contact Crime Prevention at 476-5683 for safety presentations for your department, group, etc.

UCSF Police Department has added extra patrols consisting of uniformed and plain clothes officers to these garages. We are also actively investigating these crimes.

The best way to prevent crime is to report suspicious activity immediately to the UCSF Police Department at 9-911.

If you have any information regarding any of thefts from vehicles, please contact UCSF Police Department Investigations at 476-6890.

**UCSF Police Emergency: 9-911**
