Recent Auto Burglaries on Parnassus Heights

The UCSF Parnassus Heights Campus has experienced a rise in automobile burglaries over the past month. The majority of these incidents have taken place in the Milberry Union parking structure at 500 Parnassus Avenue. Most of these crimes have been discovered and reported between the hours of 3pm and 5pm, and have involved the smashing of vehicle windows to gain access. There has been no consistent pattern for the types of items that have been taken during these burglaries.

The UCSF Police Department is actively investigating these cases and proactive measures have been implemented. If anyone has information regarding these burglaries, please contact the UCSF Police Department Investigations Section at 476-6890.

Preventive Measures

- Always lock your vehicle, roll up windows and set alarm if so equipped
- Do not leave any items in plain view within the vehicle (CDs, change, cellphones)
- Do not leave any items of value in your vehicle (laptops, PDAs, jewelry)
- Park in well-lit areas whenever possible
- Remember that no item is too small or insignificant for a thief to steal
- Do not leave your parking ticket in the vehicle while using a parking garage
