University of California Regents Meeting November 28
at UCSF Mission Bay Campus

The Regents of the University of California will be meeting at the UCSF Mission Bay Community Center via teleconference with four campuses beginning at 8:30 a.m. on Monday, November 28th.

During past Regents’ meetings, groups have held events to draw media attention to the issues being presented. These events have included demonstrating in and around campus buildings, news conferences and disruption of campus activities.

We are working with UCSF leaders and student representatives to ensure that both the First Amendment rights of the demonstrators and the safety of our campus community are protected.

As a result, please note that the Mission Bay Community Center and Bakar Fitness & Recreation Center at Mission Bay will be closed. The Community Center parking garage will remain open via the West parking entrance, but the entrance off of the horseshoe area will be closed.

The UCSF Child Care Center at Mission Bay will remain open. Parents are being advised they should monitor local news media during the weekend and on Monday morning to determine if they wish to bring their children to the child care center.

The following safety precautions are recommended:

- Keep perimeter doors to Mission Bay buildings closed and locked to avoid disruptions.
- Avoid delays by planning ahead and having an alternate planned route to or flexible work schedule at Mission Bay if you must be on the campus that day.
- If unauthorized or suspicious persons occupy any part of your building or work area:
  - Immediately call UCSF police and report the activity.
  - Do not attempt to confront or remove them yourself.
  - Lock your office and leave the area if possible.
  - Remember to take all personal belongings with you.
- Be aware of your surroundings at all times.
- Contact the UCSF Police Department to report any suspicious persons or activities near your campus residence or workplace at 9-911 from a campus phone or 415/476-1414 from any other phone.

If you have any questions or information regarding this issue, please call the UCSF Police Department at 415/476-1414.

Help fight crime by reporting suspicious activity to UCSF PD immediately. For emergency or in-progress events, dial 9-911 when using on-campus telephones and 415/476-6911 when using cell phones. For non-emergency calls, please dial 415/476-1414.
