Possible Shots Fired at SFGH

Today, Wednesday, May 7, at 12:42 p.m. San Francisco Sheriffs’ Officers at San Francisco General Hospital received reports of shots fired in Building 1. San Francisco Sheriffs contacted the San Francisco Police Department and the UCSF Police Department for assistance. A joint command post was established at 22nd Street and Potrero Avenue. Joint teams conducted a room-by-room building search. It was determined that the unconfirmed shots likely originated from the street area near the above intersection, but no actual casings or rounds were recovered. A possible suspect was described as a black male adult, 20s, 5’6”, wearing a grey sweatshirt and baggie blue jeans. The suspect was observed running across 22nd Street. Search teams conducted a search for the suspect in Buildings 80 and 90. An all clear was given at approximately 1:50 p.m. Based upon the location of the crime, SFPD assumed the report and investigation.

Anyone with information regarding any of these incidents is encouraged to contact the UCSF Police Department at 415/476-1414.

Employees, staff, and students are asked to report any suspicious persons or circumstances to UCSF PD immediately and to dial 9-911 in the case of an emergency.
