

**UNIVERSITY OF CALIFORNIA, SAN FRANCISCO**  
**CLERY CRIME INCIDENT REPORT FORM**

This form should be completed by those individuals identified as "Campus Security Authorities" (CSAs) who are required to report information they receive about specific crimes (described below) pursuant to the federal *Clery Act*. The information collected from the form will be used for statistical crime information included in the University's **Annual Security Report**.

**Please note that CSAs are obligated to immediately report Clery crimes so it can be determined if a *Timely Warning* Notice should be distributed to the UCSF community.**

The University is required to report on three general categories of crime statistics:

- **Criminal Offenses** – Homicide, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson, domestic violence, dating violence, and stalking.
- **Arrests and Referrals for Disciplinary Action** for weapons; carry, possessing, etc., drug abuse violations and liquor law violations.
- **Hate Crimes** – Any of the above mentioned offenses, and any incidents of larceny-theft, simple assault, intimidation, or destruction/damage/vandalism of property that were motivated by bias.

CSAs are not required to determine the category of crime being reported. Instead CSAs are asked to report as much information regarding reported crimes and disciplinary actions as possible to the UCSF Police Department. UCSF PD will use the information submitted to determine the appropriate category for the crime according to the requirements of the Clery Act.

UCSF urges all victims and witnesses of crime to report criminal acts to the police immediately, and to report University policy violations or student conduct violations to the appropriate school. **However, if a reporting person requests anonymity, this request must be honored to the extent permitted by law. Accordingly, no information should be included on this form that would personally identify the victim without his/her consent.**

For more information on Clery crime definitions and CSA training please see the following link to the UCSF Clery Act Annual Security Report webpage: <http://police.ucsf.edu/crime-prevention-statistics/clery-crime-report>.
