ALERT

June 6, 2017

Parnassus Campus HSE & HSW

On Sunday, June 4, 2017 at approximately 9:00 a.m. UCSF PD was notified regarding the theft of two computers from Health Science East (HSE) that had recently occurred. The first theft occurred on the 4th floor when the unknown suspect entered an unlocked office and removed a laptop computer. The second incident occurred on the 15th floor when the unknown suspect entered an office area and forced open a cabinet and took a laptop. This area of HSE has limited access and requires a security code to gain entry to the room. At this time it is unknown if both incidents are related as the investigation is ongoing. It appears the thefts occurred somewhere between Friday evening 6/2/17 and Sunday morning 6/3/17.

These incidents are currently under investigation by UCSF PD. Anyone having information that may be helpful in solving these crimes can contact UCSF PD at 415/476-1414 and refer to cases numbers 2017-19912 and 2017-19914
