Mayor London N. Breed, in consultation with the City’s public safety officials, announced Saturday night that she will implement a citywide curfew beginning Sunday, May 31, 2020 at 8:00 p.m.

The curfew requires people within the City of San Francisco to stay indoors from 8:00 p.m. until 5:00 a.m. daily. This is an indefinite order and will be in place until changed or rescinded by the Mayor’s Office.

What this means for UCSF faculty, staff, learners, and patients and their families during curfew hours:

- ONLY essential workers—involved in patient care and first responders—should come to a UCSF location BUT ONLY if they feel they can do so safely.
- If you need to travel to a UCSF location but do not feel you can get there in a safe manner, please connect with your supervisor or manager.
- Please report any suspicious persons or circumstances to UCSF PD immediately and dial 911 in the case of an emergency.
- UCSF Police Services stands ready to support you.

Other Bay Area counties and cities have also enacted curfews to take effect this evening, starting as early as 6 p.m. in Walnut Creek and 8 p.m. in most other cities.

Those jurisdictions include Alameda County and the cities of Danville, Lafayette, Orinda, Pleasant Hill, Santa Clara, San Jose, and Walnut Creek. Please note that some cities have implemented their own curfews and residents should check with their city’s website for updates.

- San Francisco and Alameda Counties: The curfews of these counties requires people to stay indoors from 8:00 p.m. until 5:00 a.m. daily. Note that Walnut Creek has imposed a curfew starts at 6 p.m. until 5 a.m.
