

Safety Bulletin

August 25-27, 2017

Events Planned for August 25, 26, and 27, 2017 San Francisco, California

The UC San Francisco Police Department (UCSF PD) has learned that the National Park Service has approved five First Amendment permits for people to express their views in a non-violent way in San Francisco this weekend.

UCSF PD wants to draw your attention to various weekend activities:

- Friday, August 25: The “People’s Town Hall Candlelight Vigil” and “People’s Town Hall Press Conference” will be held on Crissy Field at the Presidio
- Saturday, August 26: The “Better Angels San Francisco” and “STOP HATE human banner” will be held at Ocean Beach and the “Patriot Prayer” group event will be held on Crissy Field

Any violence will not be tolerated.

UCSF’s **number one priority** is the safety and well-being of our people. UCSF supports the rights of freedom of speech and takes the safety of our faculty, staff, students, patients and their families, and volunteers **very seriously**.

In addition, the Mayor’s Office is supporting several unity rallies and peaceful gatherings away from Crissy Field at Civic Center Plaza starting on Friday at noon and Saturday from noon to 5 p.m. Concurrent events are expected to continue into the East Bay on Sunday.

UCSF PD has no information to indicate that rallies or demonstrations are planned near UCSF locations. We expect businesses across UCSF sites to be open, as usual, including UCSF Medical Center’s hospitals and clinics.

UCSF PD will have additional campus and medical center security staff on site to assist with access to buildings, parking and elevators. UCSF PD will also maintain ongoing dialogue with the National Park Service, San Francisco Police Department, San Francisco Department of Emergency Management and other area partners.

UCSF PD is prepared to respond to changing conditions and will provide status updates, as appropriate. City agencies continue to work on traffic management and impact plans. Please plan accordingly.

As a reminder, you can help fight crime by reporting suspicious activity to UCSF PD **immediately**. For emergency or in-progress events, call 9-911 when using on-campus land lines and 415.476-6911 when using cell phones. For non-emergency calls, please call 415.476-1414.
